

## Whitefield Community Primary School

Head Teacher: Mrs M McGoldrick

Our Ref: GAD/SC

Growing Together

To: Parents/Carers of all Children

### NEWSLETTER: THURSDAY 3 OCTOBER 2013

#### **Flu Consent Forms:**

The forms need to be returned to school by **Monday 7 October 2013**, at the latest. Please return them signed even if you do not wish your child to have the vaccine. The children will not be given an injection: the vaccine will be given as an inhaler. There are fatalities from flu every winter and it is strongly recommended that your child has this protection.

#### **Headlice:**

There have been several cases of headlice in school. Please check your child's hair to make sure they are clear. Please note that having headlice is **not** a valid reason for keeping your child out of school.

#### **Nut Allergy:**

One of our children has a severe allergy to nuts and nut products. Would you please ensure that your child does not bring nuts into school as part of a packed lunch as this could provoke a life-threatening allergic reaction.

#### **Contact Forms:**

We have not received up-to-date contact forms from some families. Please return them as soon as possible to the school office.

#### **Playground Access:**

Please do not park your car in front of the safety barrier and make sure that your child is accompanied on and off the car park, using the gate by the school office.

**Dinner Money:**

If you pay for your child's lunches, the money must be in the school office on **Monday mornings** otherwise we may not be able to provide a school lunch and your child will need a packed lunch from home.

Yours sincerely

**Gaynor Donnelly**  
**Deputy Head Teacher**
